**TRUMP: RELEASE YOUR TAX RETURNS!**

**NO TAX CUTS FOR YOU AND YOUR BILLIONAIRE BUDDIES!**

*Despite public pressure, President Trump hasn't kept his promises to the American people. By refusing to release his tax returns, he can hide his business dealings, financial ties, and conflicts of interest. And Trump promised he'd crack down on tax dodging by Wall Street and the super-rich. But now he's planning new tax cuts that benefit him and his billionaire buddies.*

*We need an economy that works for all of us with more good jobs and thriving communities. The wealthy and big corporations should pay more in taxes than they pay now, not less.*

**BRING FAMILY & FRIENDS SO THEIR VOICES CAN BE HEARD.**
