Announces
Albany Lobby Day
Tuesday, March 10, 2009**

“Now more than ever, our voices must be heard in Albany,” said Jerry Brown Local 1180 Political Action Committee Chair. In announcing the Local’s Lobby Day, Brown enumerated the issues of importance to Local 1180, including: pension tiers, pension supplementation, state budget not to be balanced on the backs of working New Yorkers, health programs and ten housing bills passed by the Assembly that will need our help for passage in the Senate. “We must speak with our elected officials in Albany and let them know our concerns while the budget is being worked out,” said Brown.

Bus will depart from Local 1180 at 8:00 am sharp and return to the Local at approximately 6:00 pm. Breakfast will be available from 7:00 – 7:45 am. Lunch will be provided in Albany. There will be a \$5.00 cost per person to reserve a bus seat. The \$5.00 will be returned to everyone in attendance on March 10th.

Please make every effort to attend. We need you!
