

Top 10 Reasons to **VOTE**

NO to **CUOMO** for **NYC Mayor**

Andrew CUOMO...

- 1 Pushed Tier 6** through the legislature, doubling state worker pension contribution rates from 3% to 6% and retirement age to 63.
- 2** Negotiated a contract with the state workers union CSEA using **threats of massive layoffs**. They were forced to agree to a five-year agreement, with zero wage increases for three years, followed by 2% for two years.
- 3** Negotiated New York State contracts that **set a pattern for our contracts** with the City of New York. The result in 2012 was a DC 37 88-month contract from 2010 to 2017 with wage increases of 1% for three years, followed by 1.5%, 2.5%, and 3%.
- 4** Has **never been a resident of New York City** until he recently rented a luxury apartment where his neighbors have never seen him.
- 5 Increased employee contribution** for health insurance costs for state workers to as much as 31% for higher-paid employees with family coverage. For over 30 years, the state paid 75% of health insurance costs, with employees covering only 25%.
- 6** Settled with the federal government acknowledging he subjected at least 13 female employees of New York state to a **sexually hostile work environment** as NYS governor.
- 7 Spent millions of dollars in taxpayer funds** fighting the sexual harassment claims.
- 8 Covered up nursing home deaths** during the COVID-19 pandemic.
- 9** Let the **millionaire tax expire** in 2011 as one of his first major decisions as governor.
- 10** Is the **friend of millionaires** not workers.
