

STUDENT LOAN FORGIVENESS WEBINAR

TUESDAY
DEC. 13
6:00 P.M.

PSLF Waiver ends, but opportunities for additional loan forgiveness continue.

The limited PSLF waiver may have ended, but a new **Income-Driven Repayment and PSLF program account adjustment** extends many of the waiver's benefits.

Public Service borrowers who didn't take advantage of the limited waiver will have one more chance to amend payment counts.

The initiative also benefits **borrowers who don't hold public service jobs**, but are in IDR plans, to qualify for additional forgiveness.
