

NYC NATIONAL DAY OF ACTION

SATURDAY, AUG. 17 | 1-2 P.M.

225 Varick St., outside of National Audubon Headquarters

After 2.5 years of bargaining, Audubon management is still holding out on the final issues workers need in our first contract and refuses to settle unfair labor practice charges. Last week, members voted overwhelmingly to authorize a **STRIKE**.

Join us in New York City to demand a **FAIR CONTRACT NOW** for conservation workers! We will be picketing and joining a nationwide Zoom at the locations to show we are ready to **STRIKE**.

TO STRIKE**

Wear red, bring signs (we love bird puns), friends, and a positive attitude. 1180 will also provide signs if you need.
