

IN AMERICA, WE DON'T DO KINGS

They've defied our courts, deported Americans, disappeared people off the streets, attacked our civil rights, and slashed our services. **The corruption has gone too far. No thrones. No crowns. No kings.**

ON JUNE 14 WE RISE UP

SEIU President David Huerta was injured and wrongfully detained by federal officers for peacefully protesting ICE raids in Los Angeles. Knocked to the ground and charged with a felony carrying up to six years in prison, David was targeted for exercising his First Amendment rights. This assault on labor, immigrants, and our right to protest is a dangerous escalation we cannot ignore.

CWA will march in solidarity with labor and community allies on Saturday, June 14.
An injury to one is an injury to all.
