GUEST SPEAKER

Daniel Melendez
President, Lafayette Unity Alliance

Lafayette Unity Alliance is a community-based, resident-led nonprofit focused on protecting working-class tenants and low-income co-op shareholders. Lafayette Unity Alliance fights displacement and corporate abuse, including leading a major anti-displacement campaign that resulted in a Stop-Work Order against a developer. They build resident power through education programs like Tenants' Rights Bootcamps and Co-op Literacy Labs, and advocate for policy reform by lobbying legislators for stronger HDFC governance protections and tenant purchase rights. Lafayette Unity Alliance promotes transparency and accountability, manages internal financial systems, security protocols, and organizational strategy. They strengthen community coalitions through partnering with local leaders, advocates, and policymakers to advance housing justice.
