GUEST SPEAKER

Sonora Leona McClarin

Co-Founder, MySistahsKeepHER

Sonora Leona McClarin is a community leader and advocate dedicated to serving and uplifting others. Born and raised in Brooklyn, NY, she developed strong leadership skills early in life. Having overcome gun violence in her youth, she turned that experience into a driving force behind her commitment to mentoring youth, guiding them through academic and personal challenges while building meaningful relationships. At 19, she became a single teenage mother, an experience that shaped her resilience and sense of purpose. She holds a degree in Human Services from Metropolitan College of New York and works with youth in the juvenile justice system, where she provides mentorship and support to help redirect and empower young lives. Locally, she leads ongoing outreach initiatives. She also develops programs supporting senior citizens. In 2023, she co-founded MySistahsKeepHER, a women's empowerment and support organization serving women, families, and underserved communities. McClarin's work is grounded in compassion, service, and a commitment to ensuring that all individuals feel supported and valued. She describes her journey as "From the Pit to the Pulpit," reflecting resilience, growth, and purpose.

We kindly ask that all committee members consider turning on their cameras.
